Christie Administration Announces Freehold Township School District to Receive \$345,988 in Grant Funding from the New Jersey Schools Development Authority

Trenton, NJ - Furthering the Christie Administration's commitment to support critical school improvement projects in New Jersey, the Schools Development Authority (SDA) today announced that eight grants have recently been executed for Freehold Township School District through the SDA's Regular Operating District (ROD) grant program. Grant execution signifies completion of the application process and the start of funding being issued to school districts through the SDA's ROD grant program.

In May 2013, Governor Christie announced the largest single grant offering in the program's history, making approximately half a billion dollars in funding available for projects throughout the state's 559 Regular Operating Districts and 21 County Vocational Technical School Districts across New Jersey. The Department of Education, who determines the selection of school projects to receive grant funds, has approved more than 1,600 ROD Grant projects in 335 school districts throughout the state for this allocation. Between state and local contributions, the total project costs of the eligible projects are estimated to exceed \$1.2 billion, representing significant benefit not only to the children served by the state's public schools but also to the economy and construction industry as this important work advances.

The projects in Freehold Township School District represent \$864,969 in total estimated costs including state grants of \$345,988 which leverages the local contribution of \$518,981. The SDA has executed more than \$13.8 million in grants to Freehold Township School District since program inception.

The grants will provide funds for a boiler replacement at Clifton T. Barkalow Elementary School and replacement of exterior doors at seven schools throughout the district.

Since the start of the Christie Administration, the SDA has executed 1,546 grants in 323 school districts. The state-grant program funds at least 40 percent of eligible costs for projects in the RODs, addressing health and safety issues and other critical needs.

The State of New Jersey has provided \$495.4 million (state share) in grants to local districts since January 2010, leveraging projects with total estimated costs of \$1.16 billion. The SDA's current portfolio of active grant projects represents \$1.2 billion in total project costs.

	Total Project Cost Estimate	State Share	Local Share
Clifton T. Barkalow Elementary School – Boiler replacement	\$469,235	\$187,694	\$281,541
Clifton T. Barkalow Elementary School – Exterior door replacement	\$78,038	\$31,215	\$46,823
C. Richard Applegate Elementary School – Exterior door replacement	\$71,049	\$28,420	\$42,629
Marshall W. Errickson Elementary School – Exterior door replacement	\$71,049	\$28,420	\$42,629
Laura Donovan Elementary School – Exterior door replacement	\$57,959	\$23,184	\$34,775
Dwight D. Eisenhower Elementary School – Exterior door replacement	\$55,823	\$22,329	\$33,494
Joseph J. Catena Elementary School – Exterior door replacement	\$33,250	\$13,300	\$19,950
Early Childhood Learning Center– Exterior door replacement	\$28,566	\$11,426	\$17,140
Freehold Township School District Total	\$864,969	\$345,988	\$518,981
