Contract Description: _____

District: _____ **County:** _____

Bid of _____ a Corporation organized
(Bidder's Name) (Bidder's Federal I.D. #)

and existing under the laws of the State of _____ or a partnership or joint venture consisting of

or an individual, trading as _____

PLEASE APPLY MOST RECENT PROJECT RATING LIMIT ON FILE WITH THE SDA: YES NO

If yes, the bidder must sign page 10 certifying that there has been no change regarding safety, prevailing wage record, or SDA Project Evaluation Record since the prior Project Rating was assigned and return all ten (10) pages to the SDA. The Project Rating Proposal must be signed by an officer, partner or principal of the firm, as applicable, witnessed and the Corporate Seal must be affixed to the signature.

Important Notes:

1. A Bidder may not submit a "Price Proposal" that exceeds its "Project Rating Limit."
2. A Bidder's "Project Rating Limit" cannot exceed the bidder's "Aggregate Rating."

A. GENERAL

This "Project Rating Proposal" is intended to support the evaluation of "other factors" pursuant to N.J.S.A. 52:18A-243(d), and, as applicable, evaluation of qualification factors under N.J.S.A. 52:35-1 et seq. Bidder's information submitted in the "Project Rating Proposal" allows the SDA to determine the "Project Rating Limit" for this bid package.

Bidders are required to submit this completed "Project Rating Proposal" on or before the due date and time listed in the "Bid Advertisement" or such other date as set by the Contract Documents or an Addendum thereto. Faxed or emailed copies will be rejected.

Failure to include all of the required information may preclude the bidder from achieving a "Project Rating Limit" sufficient to submit a "Price Proposal."

The SDA, after review of the information submitted in the "Project Rating Proposal", will determine a "Project Rating Limit" for the Bidder as described in the Contract Documents.

1. A Bidder's "Project Rating Limit" cannot exceed the Bidder's "Aggregate Rating."
2. A Bidder's "Project Rating Limit" cannot exceed 170% of the Bidder's largest project listed in the "Project Rating Proposal."

B. BIDDER'S LISTING OF PROJECTS

The completed projects listed by the Bidder must include references associated with the projects as well as represent the experience of the Bidder. Joint venture experience will not be accepted unless the Joint Venture is bidding on the same project.

In most cases, a "project" will be associated with a single contract. In the event that a Bidder proposes that separately bid contracts should be aggregated for treatment as a single project, the Bidder's Project Rating Proposal submission must request such treatment, include relevant information on each of the contracts proposed to be aggregated and provide support for why aggregation should be permitted. The SDA, in its discretion, may permit aggregation of contracts with the same owner for treatment as a single project when such aggregation demonstrates that the Bidder can concurrently manage, construct and deliver an integrated project of the stated combined magnitude of cost, size and complexity.

1. The Bidder must provide at least two (2), but preferably four (4) projects completed within the past ten (10) years on the forms provided on pages 4 through 7 of the "Project Rating Proposal." Failure of the Bidder to provide at least two (2) projects meeting the above criteria will result in the Bidder being deemed ineligible to submit a "Price Proposal."

Note: "Completed" is defined as a project where, at a minimum, a Temporary Certificate of Occupancy (TCO) has been granted or in the case where a new or amended Certificate of Occupancy (COO) is not required, projects that are 100% complete.

2. The SDA will select, at its discretion, two (2) of the listed projects with references (Owner's Contact or Project's Contact). If the SDA cannot contact the listed references, the Bidder will be contacted to supply another reference for that project. If the Bidder is unable to provide another reference, or if the SDA is unable to contact the new reference supplied, the SDA will not use that project in the determination of the Bidder's "Project Rating Limit."

Note: "Owner's Contact" = the individual that engaged the Bidder and is familiar with the work performed. "Project's Contact" = the owner's representative who oversaw the project for the owner on a daily basis and who is not employed by the Bidder's firm.

3. The listed references will be requested to provide a rating of "Exceeded Expectations", "Met Expectations", or "Below Expectations" to the following seven (7) categories:
 - Safety.
 - The quality of the construction.
 - The timeliness of the work performed.
 - The efficiency of the Bidder's contract administration.
 - Supervision of subcontractors.
 - The Bidder's level of cooperation during the course of the construction.
 - The timeliness and efficiency of punch list work corrections.

4. If a listed reference rates a firm "Below Expectations" in either Safety or Quality of Construction, or if the overall reference adjustment is minus five (-5) or lower the SDA will not use that project in the determination of the Bidder's "Project Rating Limit."
