Are these documents duplicates of each other?

Answer: Yes, the above-referenced documents in the .dwx format are identical to the .pdf documents provided in Volume 3 of 3 in the Project Manual. -
5. Question: Please confirm that the “Affirmative Action Coordinator” is not the person that will be handling the E-Rate analysis and planning as stated on the “Identification of Design Builder’s Required Key Team Members Form” (copy attached) This will be the responsibility of the Design Build Team as a whole.
- Answer: The statement, “the individual responsible for E-Rate analysis and planning” originally included with the Affirmative Action Coordinator on the Identification of Design Builder’s Required Key Team Members form has been removed. Bidders are instructed to use the revised Identification of Design Builder’s Required Key Team Members Form (revision dated May 20, 2015) attached hereto as Attachment 1.1. See Section A.3.a above for modifications to the RFP and associated forms relating to this change.
6. Question: Please confirm that on Page 7 of the Price Proposal that the Design Services Fee and the Construction Services Fee is to be listed in Numeric Figures only.
- Answer: The Design Services Fee and the Construction Services Fee is to be listed in Numeric Figures. Bidders are advised that the “Total Bid Price” is the sum of all three (Design Services, Construction Services, and GMP Reserve) items and should be written in words and figures. Bidders are instructed to use the revised Price Proposal form, dated 5-19-2015, attached hereto as Attachment 1.2, when submitting their sealed Price Proposal. See Section A.3.b above for modifications to the RFP and associated forms relating to this change.
7. Question: Section 01010 - Summary of Work lists substantial and final completion as 615 & 703 calendar days respectively whereas Appendix A Special Conditions lists 902 & 990 days. Please advise which is correct.

a Corporation organized and existing under the laws of the State of _____

or a partnership or joint venture consisting of _____

or an individual, trading as _____

There is a two-step bidding process for participation in this procurement:

First Step: A Bidder must first submit the "Project Rating Proposal." The NJSDA will determine a Bidder's Project Rating Limit based on this proposal.

Second Step: Along with a Technical Proposal prepared in accordance with the Request for Proposals, a Bidder must submit the "Price Proposal" which contains the price the Bidder intends to bid for the work as well as other required information.

Important Notes:

- 1) A Bidder may not submit a Price Proposal that, excluding amounts for design services and excluding the GMP Reserve, exceeds its Project Rating Limit for a project.

2) A Bidder's Project Rating Limit cannot exceed the firm's Aggregate Limit.

A. Price Proposal Submission:

1. The Bidder shall complete and execute this Price Proposal and enclose it in an envelope that is **sealed and clearly marked** with the Bidder's Name, Contract Number, Contract Name, School District, County and the date of Price Proposal submission. The Bidder must submit its sealed Price Proposal to the NJSDA in accordance with Section 7 of the Request for Proposal (RFP).
2. The Price Proposals shall be subject to a public bid opening by the NJSDA on the date and time provided in the RFP.

B. Bidder:

All Bidders must be classified by the Department of the Treasury, Division of Property Management and Construction in all applicable trades; pre-qualified by the NJSDA in all applicable trades; registered with the Department of Labor; and registered with the Department of Treasury, Division of Revenue; and must provide valid contractor or trade licenses where applicable at the time of submission of this bid. **Time is of the essence for completion of the Project in this package.**
2. The Bidder **MUST** submit a copy of its Uncompleted Contracts Form. Uncompleted Contracts forms submitted by the Bidder and any named Subcontractors must reflect accurate and timely information. The amount set forth in the Uncompleted Contracts Form must reflect the amount of uncompleted work as of the date of the bid submission, or the date of the response to the RFP. In no instances will Uncompleted Contracts forms be acceptable where the date of the Form is greater than 120 days prior to the due date for bid or proposal submissions.
3. If the Bidder will be performing work with its "own forces" in any of the trades listed in the Bid Advertisement, the Bidder must be properly classified and pre-qualified to perform such work in the named trades, and must state its intention to perform such work with its "own forces." Failure to so state, and/or failure to indicate what firms will be performing the work in the trades identified in the Bid Advertisement, may cause the bid to be rejected.

C. Subcontractors:

1. The Bidder **MUST** name the Design Consultant to be engaged as the Design-Builder's Design Consultant, and all subcontractors that will be performing work in any of the trades listed in the Bid Advertisement or required by statute.
2. In accordance with the requirements of N.J.S.A. 52:18A-243, each bidder (or "design-builder") is required to set forth in its bid the name or names of all subcontractors to whom the design-builder will directly subcontract for the furnishing of any of the work and materials specified in the plans and specifications for the following branches: (1) the plumbing and gas fitting and all work and materials kindred thereto ("Plumbing Branch"); (2) the steam and hot water heating and ventilating apparatus, steam power plants and all work and materials kindred thereto ("HVACR Branch"); (3) the electrical work ("Electrical Branch"); and (4) structural steel and miscellaneous iron work and materials ("Structural Steel Branch").
3. Design-Builders are NOT REQUIRED to name any subcontractors engaged by the first-tier subcontractors or by others (e.g., "second-tier subcontractors" or "third-tier subcontractors.")

4. The Design Consultant to be engaged as the Design-Builder's Design Consultant must be prequalified by the Department of the Treasury, Division of Property Management and Construction in the discipline of Architecture (P001); pre-qualified by the NJSDA in the discipline of Architecture (P001) and registered with the Department of Treasury, Division of Revenue.
