NJSDA Offices are located in Trenton, NJ and Newark, NJ.

Each firm will be reviewed by the MIS/Project Services Department prior to assignment to determine which firm best meets the requirements of the task or has a level of expertise that would best address the task.

The assignment will be evaluated against the specific project needs and the qualifications and capabilities of the firm. Any subcontracted firm must provide a firm selected as a Consultant with a copy of its business registration, which the Consultant must forward to the NJSDA. The NJSDA shall duly file all business registrations with the other procurement documents relating to the contract. **Business registrations of proposed subconsultants, however, are NOT required to be included in a firm’s Technical Proposal.**

Please be advised, however, that business registrations are mailed generally within seven to ten days, so firms should plan accordingly.

Outsourced Services Special Provisions

Under P.L. 2005, c. 92 (formerly Executive Order No. 129 (2004)), the NJSDA shall not award a contract to a bidder that submits a bid proposal to perform services, or to subcontract with a firm to perform services, outside the United States, unless one of the following conditions is met:

- (a) The bidder or its subcontractor provide a unique service, and no comparable, domestically-provided service can adequately duplicate the unique features of the service provided by the bidder and/or its subcontractor; or
- (b) A significant and substantial economic cost factor exists such that a failure to use the bidder’s and/or subcontractor's services would result in economic hardship to the NJSDA; or
- (c) The Treasurer determines that a failure to use the bidder’s and/or subcontractor’s services would be inconsistent with the public interest.

Source Disclosure Requirements

All bidders seeking a contract with the NJSDA shall be required to disclose:

- (a) The location by country where services under the contract will be performed; and
- (b) The location by country where any subcontracted services will be performed.

Accordingly, the bidder should submit **with its bid proposal** the Source Disclosure Certification form (see Attachment E to this RFP), filled out with the sourcing information required for the bidder and any proposed subcontractor. If the information is not submitted with the bid proposal, it shall be submitted within five (5) business days of the NJSDA's request for the information. **Failure to submit sourcing information when requested by the NJSDA shall preclude award of a contract to the proposing firm.**

Shift to Outsourced Services During Contract Term Shall Be a Breach of Contract

If, during the term of the contract, the Consultant or subcontracted firm, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside of the United States, the Consultant shall be deemed in breach of the Agreement, which shall be subject to termination for cause under the terms of the Agreement, unless the Senior Director of the NJSDA Division of Procurement and Contract Services shall have first determined in writing that extraordinary circumstances require a shift of services or that a failure to shift the services would result in economic hardship to the NJSDA or the State.

Additional Services, if any, shall be the subject of an Amendment, and shall be compensated in accordance with terms negotiated at the time of Amendment.
- 2.1.8 The Consultant shall make no changes to the Scope of Services without the prior written consent of the Program Manager and an Amendment. When requesting consent for any such change, the Consultant must simultaneously notify the Program Manager of any need for additional compensation engendered by such changes; provide a detailed cost break-down of, and justification for, the changes sought; and detail the impact of each change upon its provision of Services. The requirements of this provision are in addition to any other requirements of the Contractual Documents regarding additional compensation.
- 2.1.9 The Consultant shall perform all Services in a good, skillful, and prompt manner. The Consultant shall perform the Services consistent with the level of skill and care ordinarily exercised by members of the Consultant's profession, currently practicing under similar circumstances.
- 2.1.10 Services shall be performed within any applicable Schedule.

- 2.1.11 The Consultant is responsible for the quality, technical accuracy, and timely completion and delivery of all Deliverables. If circumstances will result or may result in a late delivery, it shall be the responsibility and obligation of the Consultant to make the details known immediately to the Program Manager.
- 2.1.12 The Consultant shall, without additional compensation, cure any errors, omissions, or other deficiencies in the Deliverables. The approval of interim Deliverables shall not relieve the Consultant of fulfilling its obligations under the Contractual Documents. Acceptance or payment for any of the Deliverables shall not be construed as a waiver by the Authority of any of its rights under the Contractual Documents or of any cause of action arising out of the Consultant's performance or non-performance under the Contractual Documents.
- 2.1.13 In the event the Consultant hires, employs or otherwise engages Subconsultants, the Consultant shall be considered the sole Consultant and the sole point of contact with regard to contractual matters under this Agreement. The Consultant assumes sole and full responsibility for the complete performance contemplated by the Contractual Documents, including the performance of all Subconsultants. The Consultant must: (i) **where applicable**, select only Subconsultants that have been pre-qualified by the Authority, and (ii) obtain the consent of the Program Manager prior to the engagement of any such Subconsultant.
- 2.1.14 It is expressly understood by the Consultant that approval by the Program Manager for the subcontracting of any Services under the Contractual Documents shall in no way relieve the Consultant from performing its obligations under the Contractual Documents. The Consultant shall at all times give due attention to the fulfillment of its obligations under the Contractual Documents and shall keep the Services under its control. Consent by the Program Manager to any subcontracting of any part of the Services shall not be construed to be an approval of said subcontract or of any of its terms, but shall operate only as an approval of the engagement by the Consultant of the Subconsultant. The Consultant shall be responsible for all Services performed by its Subconsultants, which Services shall conform to the provisions of the Contractual Documents and the requirements of applicable law.
- 2.1.15 For all Services rendered, the Consultant shall, in accordance with generally accepted accounting principles and practices, maintain weekly payroll, overhead, cost and accounting records, as well as all other records the Consultant may customarily maintain in its business. Such records shall be maintained and made available for inspection by the Authority and the NJ State Police (or their agents) as to all aspects of the Services provided under the Contractual Documents, whether the Services are performed by the Consultant, its Subconsultant or any other firm. The Consultant shall retain all electronic records for a period of six (6) Fiscal Years following final payment by the Authority or the end of the Fiscal Year in which this Agreement expires, whichever occurs later. After this period, the Consultant may dispose of these records after first offering them (at no cost) to the Authority in writing; the Authority shall have thirty (30) Days within which to accept them.
- 2.1.16 The Consultant agrees that it shall assist and cooperate with the Authority in any legal action or proceeding that is related to or that arises out of or in connection with its performance under the Contractual Documents and in which action or proceeding the

Authority and the Consultant are not named as adverse parties. Such assistance shall include, but not be limited to, testifying as an expert witness or preparing exhibits, reports or models. Any Services provided by the Consultant pursuant to this paragraph shall be deemed Additional Services and shall be compensated as such in accordance with terms negotiated at the time of an appropriate Amendment.

- 2.1.17 The Consultant shall designate a Key Team Member at the Consultant's firm, satisfactory to the Program Manager, as the Consultant Client Manager. So long as the Consultant Client Manager's performance is acceptable, he or she shall remain in charge of the firm's Services, shall represent the Consultant, and be available for general consultation throughout the Term.
- 2.1.18 The Consultant, to the best of its knowledge, information, and belief, shall abide by all applicable local, state, and national regulatory requirements, as well as all regulations imposed by funding sources (auditing requirements, payroll affidavits, etc.), such as may be identified at the time of execution of this Agreement.
- 2.1.19 Business Registration. The Consultant shall provide written notice to any firm that may become its Subconsultant that it shall not enter into any subcontract with a Subconsultant that has not provided it with proof of such business registration, a copy of which the Consultant shall forward to the Authority, in accordance with N.J.S.A. 52:32-44c. The Consultant shall maintain and submit to the Authority a list of Subconsultants and their addresses, which list must be updated as necessary during the Term. A complete and final version of such list must be submitted to the Authority before final payment for Services shall be made.

The Consultant shall provide in each contract with a Subconsultant that each such Subconsultant shall collect and submit to the Director of the Division of Taxation in the Department of the Treasury the use tax due pursuant to the Sales and Use Tax Act, N.J.S.A. 54:32B-1 et seq., on all their sales of tangible personal property delivered into this State. For purposes of this section, "affiliate" shall mean any entity that: (i) directly, indirectly, or constructively controls another entity, (ii) is directly, indirectly, or constructively controlled by another entity, or (iii) is subject to the control of a common entity if it owns, directly or individually, more than 50% of the ownership interest in that entity.
- 2.1.21 Political Contributions. Consultant shall, on a continuing basis, disclose and report to the Authority any "contributions," as that term is defined in P.L. 2005, c. 51 (formerly Executive Order No. 134 (2004)), made during the Term by it or any "Business Entity," as that term is defined in P.L. 2005, c. 51, associated with the Consultant, on the "Disclosure of Political Contribution" form provided by the Authority, at the time such contribution is made.

It is the Consultant’s responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.
- 2.1.23 Outsourcing Provisions. In accordance with P.L. 2005, c. 92 (formerly Executive Order No. 129 (2004)), the Consultant shall have a continuing duty to comply with the provisions of P.L. 2005, c. 92, as applicable. If, during the Term, the Consultant or a subcontracted firm, who had on contract award declared that Services would be performed in the United States, proceeds to shift the performance of the Services outside of the United States, the Consultant shall be deemed in breach of the Agreement, which shall be subject to termination for cause, unless the Senior Director of the Authority’s Division of Procurement & Contract Services shall determine in writing that extraordinary circumstances require a shift of services or that a failure to shift the services would result in economic hardship to the Authority or the State.

2.2 Final Release

The Consultant’s acceptance of final payment shall constitute a final release from and waiver of all the Consultant’s Claims except for: (i) those Claims the Consultant expressly reserves at the time of application for final payment; (ii) those Claims arising after final payment as a result of actions brought against the Consultant by third parties; and (iii) those Claims arising after final payment due to an alleged breach by the Authority of any Agreement provision that survives after the Term.

- 3.2.1 Detailed invoices for Services shall be submitted monthly, and shall be accompanied by such supporting documentation, as to reimbursements and other items, as may be required by the Authority. Electronic invoices with associated backup are acceptable.
- 3.2.2 Invoices submitted to the Program Manager must identify this Agreement's contract number.
- 3.2.3 Invoices submitted to the Program Manager shall be processed and paid only after the Program Manager reviews and determines that the Services for which payment is sought have been completed at the times and in the manner specified in the Contractual Documents. The Authority shall not pay invoices if the Program Manager determines that the Services for which payment is sought are incomplete or unsatisfactory.
- 3.2.4 Each invoice signed by the Consultant and submitted to the Program Manager shall be a representation by the Consultant that all payments due to its Subconsultants have been made and that all relevant laws and regulations have been complied with.

The backup documentation shall include a summary of direct and other direct costs assigned to the task order. - 3.3.2 The withholding of any sums pursuant to this Section 3.3 shall not be construed as, or constitute in any manner, a waiver by the Authority of the Consultant's obligation to furnish the items required under the Contractual Documents. In the event the Consultant fails to furnish these items, the Authority shall have those rights and remedies provided

by law and pursuant to the Contractual Documents in addition to, and not in lieu of, the sums withheld in accordance with this Section 3.3.

5.0 GENERAL COVENANTS

5.1 Insurance

5.1.1 Prior to undertaking any work under this Agreement, the Consultant, at no expense to the Authority, shall obtain and provide to the Authority evidence of a policy or policies of insurance as enumerated below.

5.1.2 The Consultant shall maintain, and/or cause their subconsultants to maintain, at their own cost and expense, the following insurance coverages/policies insuring the Consultant, its employees, subconsultants and agents. The Consultant shall obtain this insurance from insurance companies that are licensed to transact the business of insurance in the State of New Jersey and that are "A-VII" (or better) rated, as determined by A. M. Best Company. In each policy, the Consultant shall have incorporated a provision, in accordance with the laws of the State of New Jersey, requiring written notice to the Authority at least thirty (30) Days prior to cancellation or non-renewal of any insurance coverage required under this Section. The Consultant warrants that if the insurer or coverage is not subject to the provisions requiring (30) day prior notification, that it will notify the Authority in writing of any cancellation or non-renewal of any insurance coverage required under this Section. Any and all deductibles shall be paid by the Consultant. The Consultant warrants that its insurance carriers are accurately informed regarding the business activities of the Consultant and intend to cover those business exposures. All insurance policies, exclusive of Professional Liability and Workers' Compensation, shall name the Authority as Primary Additional Insured and will include a Waiver of Subrogation. In addition, the Consultant may also be required to name other parties as Additional Insureds prior to the initiation of such work, and shall comply with all laws, ordinances, rules and regulations of Federal, State, county and municipal authorities in the performance of said work. The types and minimum amounts of insurance required are as follows:

5.1.2.1 Professional Liability Insurance (Errors & Omissions). The Consultant shall maintain Professional Liability Insurance with coverage retroactive to the Effective Date, sufficient to protect the Consultant from any liability arising from the Services and professional obligations performed pursuant to this Agreement in an amount not less than \$1,000,000 per claim and \$1,000,000 in the aggregate for all operations

conducted. The Consultant warrants they will notify the Authority in writing of any reduction in the aggregate coverage within thirty (30) days. The Consultant warrants that coverage shall not be circumscribed by any endorsements excluding coverage arising out of services performed pursuant to this Agreement. The Consultant warrants that continuous coverage will be maintained or an extended discovery period will be exercised for a period of five (5) years after the date of final payment by the Authority hereunder or if coverage is not commercially available for such period of time, then for such shorter period of time as such insurance is commercially available.

- 5.1.2.2 Commercial General Liability Insurance. The Consultant shall maintain Commercial General Liability Insurance (CGL), and, if necessary, Commercial Umbrella Insurance with a limit of not less than \$1,000,000 for each occurrence, \$1,000,000 aggregate limit for products/completed operations and \$1,000,000 general aggregate limit. CGL insurance shall be written on an ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage). The policy shall include liability arising out of, occasioned by or resulting from premises, operations, independent contractors, products, completed operations, personal injury and advertising injury, and liability assumed under an insured contract in connection with Services performed under this Agreement. The EDA, the Authority, the State of New Jersey and their respective directors, officers, members, employees and agents shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 10 (or a substitute form providing equivalent coverage), and under the Commercial Umbrella, if any. In addition, the Consultant may also be required to name other parties as additional insureds prior to the initiation of Services. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to the Authority.
- 5.1.2.3 Worker's Compensation Insurance. The Consultant shall, at its own cost and expense, maintain Workers' Compensation and Employers' Liability insurance prescribed by the laws of the State of New Jersey and any other jurisdiction required to protect employees of the Consultant while engaged in the performance of the Services under this Agreement. Workers' Compensation coverage shall be statutory and the Employers' liability limits (including Umbrella coverage) shall not be less than \$500,000 per accident for bodily injury by accident and \$500,000 for each employee for bodily injury by disease and \$500,000 policy limit for bodily injury by disease.
- 5.1.2.4 Business Automobile Liability Insurance. The Consultant shall, at its sole cost and expense, maintain Business Automobile Liability insurance and, if necessary, Commercial Umbrella insurance with a limit of not less than \$1,000,000 for each accident. Such insurance shall cover liability arising out of any automobile, including coverage for all owned, non-owned and hired vehicles. The Business Automobile coverage shall be written on ISO form CA 00 01 (or a substitute form providing equivalent liability coverage). If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.

- 5.1.3 Certificates of Insurance. Attached to this Agreement as Appendix E shall be valid insurance certificates, executed by a duly authorized representative of each insurer, in

form and substance satisfactory to the Authority, evidencing compliance with the insurance requirements. An insurance certificate must be submitted to evidence each insurance renewal required by this Section. Failure of the Authority to demand such certificates or other evidence of full compliance with the insurance requirements set forth herein or failure of the Authority to identify a deficiency in the insurance provided shall not be construed as a waiver of the Consultant's obligation to maintain such insurance. Failure to maintain the required insurance may result in termination of this Agreement at the Authority's sole option. The Consultant shall provide certified copies of all insurance policies, including any and all amendatory endorsements, within ten (10) Days of the Authority's written request for such policies.

- 5.1.4 Liability in Excess of Coverage. By executing this Agreement, the Consultant expressly agrees that any insurance protection required herein or by the Consultant's Documents shall in no way limit the Consultant's obligations under this Agreement or the Consultant's Documents and shall not be construed to relieve the Consultant from liability in excess of such coverage, nor shall it preclude the Authority from taking such other actions as are available to it under other provisions of this Agreement or the Consultant's Documents or otherwise in law or equity. By requiring insurance herein, the Authority does not represent that coverage and limits will necessarily be adequate to protect the Consultant, and such coverage and limits shall not be deemed as a limitation on the Consultant's liability under this Agreement.
- 5.1.5 Right to Remedy. If the Consultant fails to obtain and/or maintain the insurance as required in this Section, fails to renew any of its insurance policies as necessary, or in the event any policy is canceled, terminated or modified so that the insurance does not meet the requirements of this Agreement, the Authority may: (i) purchase insurance at the Bridging Architect's sole expense; (ii) refuse to make payment of any further amounts due under this Agreement; (iii) refuse to make payments due or coming due under other agreements between the Consultant and the Authority; (iv) suspend performance by the Bridging Architect under this Agreement; or (v) terminate this Agreement. Any funds retained pursuant to this Section may be used, at the Authority's discretion, to renew or purchase the Bridging Architect's insurance for the periods and amounts as set forth in this Agreement. In the event the Authority purchases said insurance the Authority may, at its discretion, reduce the Consultant's Compensation under this Agreement by the amount paid for such insurance plus reasonable attorney's fees.
- 5.1.6 Additional Insurance. The Consultant shall also provide such additional types of insurance in such amounts as the Authority shall reasonably require. In the event that any such additional insurance is required, the Consultant shall deliver certified copies of each policy to the Authority within ten (10) days of the Authority's written request for such insurance.
- 5.1.7 Waiver of Subrogation. The Consultant waives all rights of subrogation and recovery against the Authority, agents or employees of the Authority to the extent these damages are covered by the CGL, Business Automobile Liability or Commercial Umbrella Liability Insurance obtained by the Consultant. If the policies of insurance purchased by the Consultant as required above do not expressly allow the insured to waive rights of subrogation prior to loss, the Consultant shall cause them to be endorsed with a waiver of subrogation as required herein.

- 5.1.8 Any deductible or self-insured retention (SIR) applicable to the aforementioned insurance shall be declared to and approved by the Authority and written using ISO endorsement CG 03 00 (or a substitute providing equivalent terms and conditions). The Consultant shall not be permitted to have a SIR larger than \$100,000 unless it obtains the express, written consent of the Authority to the larger SIR. **FAILURE TO COMPLY WITH SECTION 5.1.8 IS A MATERIAL BREACH OF CONTRACT.**

If any of the aforementioned insurance is written on a "claims made basis," the Consultant warrants that continuous coverage will be maintained or an extended discovery period will be exercised for a period of five (5) years after the date of Final Payment by the Authority and the Consultant will provide Certificates of Insurance evidencing continuance of coverage with the original claims made retroactive date. Within the Certificate of Insurance, in the blocks designated "Policy Number," in addition to the policy number, the Consultant shall insert a note "claims made retroactive date ___/___/___" (with the date inserted).

5.2 Ownership of Documents

- 5.2.1 In consideration of the Authority's execution of this Agreement and for other good and valuable consideration, all Deliverables, including, but not limited to plans, methods, drawings, specifications, flow charts, reports, all data, diagrams, samples, tests, surveys, models, material, computer discs, evidence, documentation, and all copyrightable materials, gathered, originated or prepared by the Consultant and its Subconsultants during and in connection with the performance of Services; and all copyrights resulting from Deliverables, and in all renewals and extensions of the copyrights that may be secured now or be hereafter in force and effect are instruments of the Consultant's Services performed under the Contractual Documents and, unless otherwise provided, shall be the sole property of the Authority.

5.2.2 The Consultant's promotional and professional (or other) materials shall not include Authority confidential or proprietary information, except with the written consent of the Authority.

5.3 Copyrights and Patents

- 5.3.1 If the Consultant employs any design, device, material, or process covered by letters of patent or copyright, it shall provide for such use by suitable legal agreement with the patent holder. The Consultant shall assume all costs arising from the use of patented materials, equipment, devices, or processes used on or incorporated in the Deliverables.
- 5.3.2 The Consultant shall defend, indemnify and save harmless the Authority and the State from any and all Claims for infringement by reason of the use of any patented design, device, material or process, or any trademark, copyright, trade secret or any other material protected in any manner from use or disclosure, and shall indemnify the Authority and the State for any costs, expenses and damages that it may incur by reason of an infringement at any time during the prosecution, or after the acceptance, of the Services.

5.4 Confidentiality

- 5.4.1 All data contained in documents supplied by the Authority or by any other party under an Authority contract or otherwise involved in the School Construction Program and data gathered by the Consultant in fulfillment of the Contractual Documents and any analyses

thereof (whether in fulfillment of the Contractual Documents or not), are to be considered strictly confidential and shall be solely for use in connection with the School Construction Program, except to the extent the Authority may identify any such as government documents within the meaning of N.J.S.A. 47:1A-1 et seq.

- 5.4.2 The Consultant shall be required to use utmost care to protect the confidentiality of data by, among other things, requiring in Authority of these confidentiality terms and conditions into its contract(s) with Subconsultants, if any, and requiring personnel assigned to provide Services to sign a confidentiality agreement in a form provided by the Authority. Any release of confidential material in any form by the Consultant, its employees, Subconsultants or assignees will be considered a violation of the Contractual Documents. Penalties for violation of this paragraph include, but are not limited to, termination of this Agreement and/or legal action, without the Authority being liable for damages, costs and/or attorney fees. The Consultant shall be liable for any and all damages arising from its breach of this confidentiality provision.

5.5 Contractual Relationship

- 5.5.1 Nothing in the Contractual Documents shall be construed as creating a contractual relationship between any Subconsultant of the Consultant and the Authority.
- 5.5.2 The Consultant's status shall be that of an independent contractor, not an employee of the Authority. The Consultant agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of the Authority by reason hereof. The Consultant shall not, by reason hereof, make any Claim, demand or application to any Authority officer or employee for any right or privilege afforded to an Authority officer or employee, including, but not limited to, workers' compensation, unemployment or other insurance benefits, social security coverage, or retirement membership or credit.
- 5.5.3 The Consultant and any Subconsultants engaged by the Consultant under this Agreement are bound by the terms and conditions of the Contractual Documents.
- 5.5.4 Nothing contained in this Agreement or the Contractual Documents shall create a contractual relationship with a third party or create a cause of action in favor of a third party against either Party. No individual, firm, Authority, or any combination thereof, which supplies materials, labor, services or equipment to the Consultant for the performance of Services shall become thereby a third party beneficiary of the Contractual Documents.
- 5.5.5 The Parties hereby bind themselves, their partners, successors, assigns and legal representatives each to the other Party and the other Contractual Documents.

5.6 Assignment

- 5.6.1 The Consultant shall not assign or transfer its obligations, privileges or rights under the Contractual Documents without the prior written consent of the Authority. Any assignment or transfer of the Consultant's rights under the Contractual Documents without the prior written consent of the Authority shall not relieve the Consultant of any duty, obligation or liability assumed by it under the Contractual Documents.

- 5.6.2 Notwithstanding anything to the contrary, under no circumstance shall the Consultant assign its right to receive money under the Contractual Documents for any purpose or to any person whatsoever without the prior written approval of the Authority or order of court.
- 5.6.3 The Authority may elect, in its sole discretion, to assign this Agreement to any other State agency, authority or other State instrumentality, or any local or municipal instrumentality, at any time during the Term of this Agreement, and in such case, the Consultant agrees to continue to perform all of its obligations as set forth in this Agreement. The Consultant shall make no Claim against the Authority in the event of such assignment and shall execute such certificates, documents and instruments as may be reasonably requested by the Authority to effect such assignment.

5.7 Mergers, Acquisitions, and Dissolutions

- 5.7.1 If, subsequent to the execution of this Agreement, the Consultant proposes to merge with or be acquired by another firm or in the event of a proposed dissolution by the Consultant, the Consultant shall immediately notify the Authority and shall submit documentation to the Authority describing the proposed transaction.
- 5.7.2 The Authority, in its sole discretion, may approve the continuation of this Agreement following the proposed transaction or terminate this Agreement for cause. The Authority will notify the Consultant of its decision within thirty (30) Days of receipt by the Authority of documentation from the Consultant describing the proposed transaction.
- 5.7.3 If the Authority approves a merger or acquisition, the Consultant shall submit to the Authority: (i) corporate resolutions prepared by the Consultant and the new entity ratifying acceptance of the Contractual Documents; (ii) information necessary to ensure that the new entity satisfies the Authority's pre-qualification policies and procedures, where applicable; (iii) the names and addresses of all owners and potential owners which hold or may acquire five percent (5%) or more of its stock or interest; (iv) any new or changed Federal Employer Identification Number(s); (v) acknowledgment of the assumption of the Contractual Documents by the new entity; and (vi) any other information the Authority may require.

- 5.8.2 Each and every provision required by law to be inserted in the Contractual Documents shall be deemed to have been inserted therein. If any such provision has been omitted or has not been correctly inserted, the Contractual Documents shall be amended, upon application of either Party, to provide for such insertion or correction.
- 5.8.3 If the Authority determines that the Consultant has violated or failed to comply with applicable Federal, State or local laws with respect to its performance under the Contractual Documents, the Authority may withhold payments for such performance and take such action that it deems appropriate until the Consultant has complied with such laws or has remedied such violation or non-compliance to the satisfaction of the Authority.
- 5.8.4 The Consultant's compliance with the legal requirements of this Section 5.8 and any other applicable laws, regulations or codes is mandatory and cannot be waived by the Authority.

5.9 Affirmative Action and Non-discrimination

- 5.9.1 The Consultant and its Subconsultants shall abide by affirmative action rules established by the New Jersey Department of the Treasury at N.J.A.C. 17:27-1.1 *et seq.* under P.L. 1975, c. 127, the small business set-aside rules for the procurement of goods and services established by the Commerce and Economic Growth Commission at N.J.A.C. 12A:10-1.1 *et seq.* and by Executive Order No. 71 (2003), and the affirmative action program established by the Authority pursuant to Section 48 of the Educational Facilities Financing and Construction Act, P.L. 2000, c. 72, and any rules and regulations associated therewith.
- 5.9.2 The Consultant shall not discriminate in employment and shall abide by all anti-discrimination laws, including those contained within N.J.S.A. 10:5-1 *et seq.*, and all rules and regulations issued thereunder. During the performance of this Agreement, the Consultant and its Subconsultants agree as follows:
 - 5.9.2.1 The Consultant and its Subconsultants, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation or sex. Except with respect to affectional or sexual orientation, the Consultant and its Subconsultants will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant and its Subconsultants agree to post in conspicuous places, available

5.9.2.2 The Consultant and its Subconsultants, where applicable, will in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation or sex;

5.9.2.3 The Consultant and its Subconsultants, where applicable, will send to each labor union or representative of workers with which they have a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the Consultant's (and its Subconsultants') commitments under this act [N.J.S.A. 10:5-1 et seq.] and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5.9.3 The Consultant shall abide by the provisions of the Americans With Disabilities Act, 42 U.S.C. § 12101 *et seq.*, with respect to its employment practices.

5.9.4 The Consultant shall comply with the *MacBride* principles of nondiscrimination in employment, or have no business operations in Northern Ireland, under N.J.S.A. 52:34-12.2.

5.10 Anti-collusion

5.10.1 The Consultant, by executing this Agreement, does hereby warrant and represent that this Agreement has not been solicited, secured or prepared, directly or indirectly, in a manner contrary to the laws of the State; and that said laws have not been violated and shall not be violated as they relate to the procurement or the performance of the Services by any conduct, including the paying or giving of any fee, commission, compensation, gift, gratuity, or consideration of any kind, direct or indirect, to any employee, officer, or board member of the Authority.

5.10.2 The penalty for breach or violation of this Section 5.10 may, at the sole option of the Authority, result in: (i) the termination of this Agreement without the Authority being liable for damages, costs and/or attorney fees; and/or (ii) a deduction from the payments to be made by the Authority pursuant to this Agreement.

5.11 Conflict of Interest

5.11.1 The Consultant shall not pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity or other thing of value of any kind to: (i) an Authority officer or employee with which the Consultant transacts, or offers or proposes to transact, business; or (ii) any member of the immediate family (defined by N.J.S.A. 52:13D-13i) of any such Authority officer or employee; or (iii) any partnership, firm or Authority with which such Authority officer or employee is employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

- 5.11.2 The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any Authority officer or employee from the Consultant shall be reported in writing forthwith by the Consultant to the State Attorney General and the Executive Commission on Ethical Standards.
- 5.11.3 The Consultant shall not directly or indirectly undertake any private business, commercial or entrepreneurial relationship (whether or not pursuant to employment, contract or other agreement, express or implied) with, or sell any interest in the Consultant to, any Authority officer or employee having any duties in connection with the purchase, acquisition or sale of any property or services by or to the Authority; and shall not undertake any such relationship with, or sell any such interest to, any person, firm or entity with which such Authority officer or employee is employed or associated, or in which such Authority officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13(g). Any relationship subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the officer or employee and upon a finding that the present or proposed relationship presents neither an actual conflict of interest, nor the potential for, or appearance of, such a conflict of interest.
- 5.11.4 The Consultant shall not influence, attempt to influence, or cause to be influenced any Authority officer or employee in such officer's or employee's official capacity in any manner that might tend to impair the objectivity or independence of judgment of said officer or employee.
- 5.11.5 The Consultant shall not cause or influence or attempt to cause or influence, any Authority officer or employee to use or attempt to use such officer's or employee's official position to secure unwarranted privileges or advantages for the Consultant or any other person.
- 5.11.6 Under N.J.S.A. 52:34-19, it is a misdemeanor to offer, pay or give any fee, commission, compensation, gift or gratuity to any person employed by the Authority. It is the policy of the Authority to treat the offer of any gift or gratuity by the Consultant, its officers or employees, to any person employed by the Authority as grounds for debarment or suspension from submitting proposals and providing work or materials to the Authority.
- 5.11.7 The provisions cited in this Section 5.11 shall not be construed to prohibit an Authority officer or employee from receiving gifts from or contracting with the Consultant under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines that the Executive Commission on Ethical Standards may promulgate under the provisions contained herein.

5.12 Indemnification

- 5.12.1 To the fullest extent permitted by law, the Consultant shall indemnify, protect, defend and save harmless the State of New Jersey, the Authority, as well as their respective agents, servants, officers, directors and employees, from and against any loss, damage, injury, cost or expense; and from and against any Claim, demand, liability, lawsuit, judgment, action or other proceeding arising, to arise from, in connection with, or as a result of any of the following:

- 5.12.1.1 the negligent acts or omissions of the Consultant, its agents, servants, officers, employees, Subconsultants or any other person acting at the Consultant's request, subject to its direction, or on its behalf;
 - 5.12.1.2 the loss of life or property, or injury or damage to the person, body or property of any person or persons whatsoever, that arises or results directly or indirectly from the negligent performance of the Services or delivery of Deliverables by the Consultant, its agents, servants, officers, employees, Subconsultants or any other person acting at the Consultant's request, subject to its direction, or on its behalf;
 - 5.12.1.3 any gross negligence, default, or breach, of the Consultant, its agents, servants, officers, employees, Subconsultants or any other person acting at the Consultant's request, subject to its direction, or on its behalf;
 - 5.12.1.4 violation or non-compliance with federal, State, local and municipal laws and regulations, ordinances, building codes (including without limitation the Americans with Disabilities Act and OSHA Environmental Protection Act) arising from the performance or non-performance of, or arising out of conditions created or caused to be created by, the Consultant, its agents, servants, officers, employees, Subconsultants or any other person acting at the Consultant's request, subject to its direction, or on its behalf; and
 - 5.12.1.5 the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in performing Services.
- 5.12.2 The Consultant's indemnification obligation is not limited by, but is in addition to, the Consultant's insurance obligations contained in this Agreement.
- 5.12.3 The Consultant agrees that any approval by the Authority of the Services performed, and/or reports, plans or specifications provided by the Consultant shall not operate to limit the obligations of the Consultant under the Contractual Documents; and that the Authority assumes no obligations to indemnify or save harmless the Consultant, its agents, servants, employees, or Subconsultants against all Claims that may arise out of its performance or nonperformance under the Contractual Documents; and that the provisions of this indemnification clause shall in no way limit the Consultant's obligations under the Contractual Documents, nor shall they be construed to relieve the Consultant from any liability, nor preclude the Authority from taking any other actions available to it under any other provisions of the Contractual Documents or otherwise at law or equity.
- 5.12.4 This Section 5.12 shall survive the termination of the Contractual Documents.

6.0 TERMINATION AND SUSPENSION

Nothing contained in this entire Section 6.0 shall limit the Authority's right to recover any and all costs and damages resulting from Consultant failure to perform the Services in a satisfactory manner.

6.1 Termination for Convenience of the Authority

- 6.1.1 Performance by the Consultant of its obligations under the Contractual Documents may be terminated by the Authority in accordance with this Section 6.1 in whole or in part, whenever the Authority, in its sole discretion, determines that such termination is in its best interest.
- 6.1.2 Any such termination shall be effected by delivery of a “Notice of Termination” specifying the extent to which the Services under the Contractual Documents are terminated and the date upon which such termination becomes effective.
- 6.1.3 If so terminated, the Consultant shall be entitled only to that proportion of the compensation that the Services actually and satisfactorily performed by the Consultant bear to the total Services to be rendered under the Contractual Documents, less payments previously made.
- 6.1.4 The Authority may negotiate with the Consultant to establish an amount of compensation for the Consultant’s costs incurred in the close-out of the Contractual Documents.
- 6.1.5 Upon termination for convenience, the Consultant shall furnish to the Authority, free of charge, such close-out reports, documents, and materials as the Authority may reasonably require.

6.2 Termination for Cause

- 6.2.1 Without prejudice to any other remedy, the Authority may terminate this Agreement if the Consultant: (i) disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction; (ii) refuses or fails to supply enough properly skilled workers or proper materials; (iii) fails to make payments to Subconsultants for materials or labor in accordance with the respective agreements between the Consultant and the Subconsultants; (iv) fails to maintain or produce any records required by the Contractual Documents to be so maintained or produced; (v) fails to cooperate with the Authority where such cooperation is deemed necessary by the Authority for the implementation of the Contractual Documents; (vi) fails to obtain and properly maintain the level of insurance coverages outlined in Section 5.1; (vii) assigns or transfers its obligations, privileges or rights under the Contractual Documents without the prior written consent of the Authority; (viii) makes any misrepresentation or conceals any material fact; or (ix) commences or has commenced against it any action under the United States Bankruptcy Code or any state or federal insolvency law, the commencement of which, in the Authority’s judgment, may effectively impair the ability of the Consultant to perform its obligations under the Contractual Documents; or (x) violates or breaches the Contractual Documents or any provision or material term thereof. For all such causes of termination except those contained in subsections (viii) and (ix), the Consultant may avoid termination if, within seven (7) Days of Notice of Termination, it commences correction of such default, neglect or violation, with diligence and promptness, fully curing same within the time prescribed by the Authority within the Notice of Termination; failure to do so shall result in termination of this Agreement.

- 6.2.2 Upon termination by the Authority pursuant to this Section 6.2, the Authority may, without prejudice to any other rights or remedies of the Authority, complete Services by whatever methods the Authority may deem appropriate.
- 6.2.3 In the event this Agreement is terminated for cause pursuant to this Section 6.2, the Authority reserves the right not to make any further payments to the Consultant and may require the Consultant to repay all or a portion of the monies already paid; and the Consultant shall be obligated to take any steps necessary to enable the Authority to complete the Services itself, or for the Authority to engage another Consultant to complete the Services at the Consultant's own expense for the portion that exceeds the amount that would have been paid to the Consultant for completing the Services.
- 6.2.4 No action by the Authority pursuant to this Section 6.2 shall operate to waive or release any Claim the Authority may have against the Consultant under the Contractual Documents.

6.3 Suspension for Convenience of the Authority

- 6.3.1 The Authority shall have the right to defer the beginning, or to suspend the whole or any part, of the Services whenever, in the sole discretion of the Authority, it is necessary or expedient for the Authority to do so. The Authority shall by notice to the Consultant suspend performance of the Services and upon receipt of such notice, unless otherwise directed in writing by the Authority; the Consultant shall immediately discontinue all Services, except as may be deemed necessary by the Program Manager.
- 6.3.2 In the event of a suspension by the Authority pursuant to this Section 6.3, compensation shall be determined as follows:
 - 6.3.2.1 If the Authority determines that the Services have been suspended for a period cumulatively totaling less than ninety (90) Days, there shall be no additional compensation paid to the Consultant.
 - 6.3.2.2 If the Authority determines that the Services have been suspended for a period cumulatively totaling ninety (90) Days or more, and if the Authority determines that the suspension has resulted from no fault of the Consultant, the Parties shall amend this Agreement to cover the remaining Services to be performed. Such Amendment shall provide a compensation adjustment in an amount deemed proper by the Authority and Consultant after review of the Consultant's submissions relating to the increased costs actually incurred by the Consultant as a direct result of the suspension. No such Amendment will change other Contractual Documents terms.
- 6.3.3 When the Authority has determined that a suspension is the fault of the Consultant, the Authority may, at its sole option, suspend all payments to the Consultant. Payment may be reinstated by the Authority upon completion of the Services in accordance with the other provisions of this Agreement and the other Contractual Documents provided, however, that there shall be no upward adjustment in direct or indirect costs or in any other costs. Alternatively, the Authority may terminate this Agreement pursuant to Section 6.2, above, or carry out the Services as provided for in Section 6.4, below.

6.4 Authority's Right to Carry Out the Services

- 6.4.1 If the Consultant fails to perform any obligation imposed under the Contractual Documents, and fails within seven (7) Days after receipt of written notice to commence and continue correction of such failure with diligence and promptness, the Authority may take steps to remedy such failure without prejudice to any other remedy the Authority may have. In such case, an appropriate written notice shall be issued deducting from the payments then or thereafter due the Consultant the cost of correcting such failure, including compensation for other Professional Services Consultant additional services made necessary by such failure. If the payments then or thereafter due the Consultant are not sufficient to cover such amount, the Consultant shall pay the difference to the Authority upon demand.
- 6.4.2 Any action by the Authority under this Section 6.4 shall be without prejudice to the Authority's rights under the Contractual Documents and shall not operate to release the Consultant from any of its obligations under the Contractual Documents.

6.5 Unacceptable Services; Duty to Cure Errors and Omissions

- 6.5.1 The Authority shall give the Consultant written notice as soon as practicable after it becomes aware of an error or omission by the Consultant. If the Authority determines that any Service delivered is unacceptable, in quality, timeliness, or any other condition, due to error, omission or failure to comply with requirements of the Contractual Documents, the Consultant shall correct and revise the unacceptable Services under the Authority's direction at no cost to the Authority. The corrected and revised Services shall be resubmitted to the Authority for approval.
- 6.5.2 The Consultant shall be liable to Authority for all damages to Authority caused by Consultant errors or omissions. The Consultant shall reimburse Authority for all costs incurred by Authority as a result of such errors and omissions, including interest and other expenses.

7.0 CLAIMS

All Claims by the Consultant against the Authority shall be governed by the following provisions.

- 7.1 General. All Claims asserted by the Consultant against the Authority shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq. and the New Jersey False Claims Act, N.J.S.A. 2A:32 et seq.
- 7.2 Notice of Claim. The Consultant shall file notice of its Claim on a form provided by the Authority, which form shall be completed in its entirety and signed by the Consultant. Incomplete forms will be rejected and have no effect. Submission of completed notice forms shall constitute compliance with the notice provisions of the New Jersey Contractual Liability Act if such notices are provided within the time limits established by N.J.S.A. 59:13-5.

7.3 Review of Claims. The administrative process for review of Claims is sequential in nature and mandatory. The Authority's Claims procedure is composed of the following steps:

Step One: Review by the Authority
Step Two: Non-binding Mediation

Completion of the two (2) steps of Claims review is a mandatory prerequisite to the initiation of litigation by either Party.

7.4 Compliance with Claim Review Procedure. Each Claim will begin its review at Step One. A Claim will not proceed to the next step unless the Consultant submits a written objection to the prior step and requests that its Claim proceed to the next step. If at any step in the process a Claim is resolved, the Consultant must sign a full and final release as to any and all matters arising from the Claim.

7.5 Step One: The Authority's Review.

7.5.1 The Consultant must provide to the CM and the Authority the required forms as required by this Section to comply with the New Jersey Contractual Liability Act in order to begin the Authority's administrative process for the review of Claims. The Consultant shall also submit to the Authority all documentation supporting the Consultant's Claim. The documentation provided to the Authority will serve as the basis for evaluation of the Consultant's position regarding the Claim throughout Step One of the administrative process. The Consultant shall submit additional information upon request of the Authority. No formal action will be taken by the Authority unless and until the Authority receives complete Claim documentation from the Consultant.

7.5.2 Authority Review and Decision. At the option of the Authority, a meeting may be scheduled with the Consultant, the Authority and the CM to discuss the Claim. The Authority shall render its decision regarding the Claim in writing within sixty (60) Days of the receipt of the complete supporting documentation or within sixty (60) Days of any meeting with the Consultant, the Authority and the CM, whichever is later. This time limit may be extended by mutual agreement of the Parties. The Consultant, within fifteen (15) Days of the receipt of the decision by the Authority, shall accept or reject the Authority's decision in writing. If the Consultant neither accepts nor rejects in writing the Authority's decision within fifteen (15) Days, the Claim will be considered withdrawn from the administrative process and there will be no further administrative remedy available to the Consultant for the subject Claim.

7.6 Step Two: Non-Binding Mediation. If the Consultant rejects in writing the decision of the Authority, there is no further automatic administrative review of the Claim. Within fifteen (15) Days after issuance of the Authority's decision, the Consultant may request in writing that any or all outstanding Claims, which include any or all Claims that have been processed through Step One of the Claim resolution process, and that were neither withdrawn nor considered withdrawn from the process be submitted to Step Two, proceed to non-binding mediation. Such request shall be sent to the Authority. No Claim will proceed automatically to Step Two and the Consultant must make a specific written

request that the Claim be elevated to Step Two for review. The cost of non-binding mediation shall be shared equally by the Consultant and the Authority. The mediator shall be selected by the Authority, with the concurrence of the Consultant. The rules for the mediation shall be agreed to by the Authority, the Consultant and the mediator prior to the start of the mediation. If the Parties fail to agree on the rules for the non-binding mediation, the mediation will not proceed and Step Two review will be deemed completed.

- 8.6 The Consultant certifies that all representations made by it in any of the Contractual Documents are true, subject to penalty of law. The Consultant understands and agrees that its knowing or intentional violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact may be cause for termination of this Agreement. The Consultant understands and agrees that the Consultant's violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact shall serve as a legal bar to the Consultant's enforcement of its rights under the Contractual Documents, including any and all Claims at law or equity.

This evaluation shall consider, among other things, the Consultant's ability to provide all required Services.
- 9.1.4 The Authority's approval, acceptance, use of or payment for all or any part of Consultant's Services hereunder shall in no way alter the Consultant's obligations hereunder.
- 9.1.5 The Authority and the NJ STATE POLICE reserve the right to audit the records of the Consultant and its Subconsultants in connection with all matters related to the Contractual Documents. If, as a result of such audit, the Consultant is discovered for any reason to owe any money or refund to the Authority, the Authority may reduce the Consultant's invoice amount to an amount considered commensurate with the actual services provided.
- 9.1.6 The Authority and their agents have the right to request, and the Consultant agrees to furnish free of charge, all information and copies of all records, documents or books relating to the provision of Service, which the Authority, or their agents may request.
