1. Replacement of existing roofing system including installation of new roof ladders, flashing and work related to the rooftop dunnage and mechanical equipment;
2. Replacement of existing rooftop lighting;
3. Replacement of existing parapets including installation of new aluminum coping;
4. Replacement of chimney coping stones;
5. Exterior masonry repairs to cracked and/or loose face brick;
6. Window repairs;
7. Window lintel repairs and/or replacement;
8. Brick repointing;
9. Repair of existing terra cotta panels; and
10. Removal of existing trees along front façade of school.

Procurement Overview:

This is a "Price and Other Factors" solicitation for Construction Management Services. This solicitation seeks responses from interested firms in the form of a simultaneous submission of:

1. A Qualifications and Technical Proposal, which provides information regarding the firms' past experience and qualifications for evaluation by a Selection Committee charged with evaluation and scoring of the submittals with reference to the non-price "Other Factors" criteria identified in the RFQ/RFP. The "Other Factors" to be considered, and their relative weights, are as follows:
 - Firm's CM Experience on Similarly Sophisticated Projects (20 Points)
 - Staffing Proposal (30 points)
 - Key Team Members' Experience on Similarly Sophisticated Projects (50 points)
2. A sealed Price Proposal, which will remain sealed until completion of the "Other Factors" evaluation and scoring, and which states the firms Total Compensation Amount price for the services required for the project. The Price Proposal will be subject to scoring in accordance with the terms of the RFQ/RFP.

Responsive firms will be evaluated and scored by a Selection Committee on the basis of their written Qualifications and Technical Proposal submissions. The responsive firms will be ranked on the basis of such scores, and a shortlist of the six (6) most highly-ranked firms will be determined. The shortlisted firms will participate in interviews with the Selection Committee

and will be separately scored on the basis of the interview using the same criteria and point values used to evaluate the Qualifications and Technical Proposal. The scores for the written submission and the interview will be combined into a total "Non-Price Score."

Once all the Non-Price Scores for all shortlisted firms have been calculated, the Authority will open the sealed Price Proposals and will review them for responsiveness, and determine a Price Score for each responsive Price Proposal. The lowest responsive Price Proposal shall be scored by awarding the maximum number of points for the price component, which shall be 100. All other Price Proposals shall be scored by awarding points based on the percentage that each proposal exceeds the lowest Price Proposal.

The Non-Price Scores will be adjusted by a weighting factor of 60% and the Price Scores will be adjusted by a weighting factor of 40%, before being combined in a Final Combined Score. The Authority will recommend award of the contract to the responsive firm with the highest Final Combined Score.

Procurement Requirements:

To participate in the procurement, firms must be prequalified by both the Department of the Treasury-Division of Property Management and Construction and the NJSDA in the Construction Management (P029) discipline as of the due date for Responses to the RFQ/RFP.

Bidders are required to comply with the requirements of N.J.A.C. 17:27 et seq. and N.J.S.A. 10:5-31 et seq. pertaining to affirmative action and equal employment opportunity.

The NJSDA requires the selected Consultant to provide opportunities to Small Business Enterprise ("SBE") firms and Disabled Veteran Owned Business ("DVOB") firms to participate in the performance of this engagement, consistent with the NJSDA's 25% SBE and 3% DVOB Set-Aside Goals.

In accordance with N.J.S.A. 18A:7G-41.1, a firm shall be precluded from submitting a proposal for this procurement if such firm or any affiliated firm is engaged under a prime contract with NJSDA to provide work and services as the general contractor for this project, or is engaged as a subcontractor to the general contractor for this project.

No firm may propose as a Key Team Member any person who has assisted the Authority by materially participating in the preparation of an RFQ/RFP for this Construction Management Services procurement or for the Construction procurement for the Project. "Materially participating in the preparation of an RFQ/RFP" shall mean the preparation of the RFQ/RFP itself, as well as the preparation of plans, specifications, reports or other documents that are produced with the intent to be incorporated into a Project Manual that is part of the RFQ/RFP. Failure to observe this prohibition shall result in disqualification of the conflicted person from the Proposed Team, and rejection of the entire proposal that includes the ineligible person.

Procurement Submission Dates and Deadlines:

A. Notice of Intent to Participate:

The NJSDA will not hold a traditional pre-proposal conference for this procurement. All firms interested in submitting a proposal must sign-in electronically by sending a mandatory e-mail Notice of Intent to Participate to Dave Kutch at dkutch@njsda.gov no later than **2:00 PM on March 1, 2021**.

B. Questions from Interested Firms:

Interested firms may submit written questions regarding this procurement to the NJSDA by sending them by e-mail to Dave Kutch at dkutch@njsda.gov no later than **2:00 PM on March 1, 2021**. The questions and NJSDA answers will be provided via an addendum to the RFQ/RFP to each firm that submitted a timely e-mail Notice of Intent to Participate.

C. Interested firms must submit a Qualifications and Technical Proposal utilizing the Forms provided by the Authority, which provides responses to the non-price "Other Factors" evaluative criteria requirements of the RFQ/RFP. The Qualifications and Technical Proposals (one (1) unbound original and one (1) cover-to-cover copy in PDF format on
