The New Jersey Schools Development Authority (“NJSDA”) is seeking to procure a General Contractor for the Veterans Family Memorial School – Existing Conditions Deficiency Corrective Work project in Camden, NJ.

Brief Description of Work:

The scope of services is for the engagement of a General Contractor for Construction Services related to the following: 1) repairs to exterior building envelope, roofing repairs and replacement, cupola replacement, and exterior masonry repairs, including selective removal and re-installation of existing windows and doors; 2) repairs to exterior site hardscape, paved areas, walkways, retaining walls, fencing and site stairs; 3) limited site utilities, underground storm water system pipe replacement and repairs; 4) hazardous materials abatement work; and 5) code or regulatory improvements that might be triggered by implementation of the scope.

This work will be bid and constructed as a single overall contract (one lump sum for all trades).

Eligibility Requirements for Bidders and Identification of Required Subcontractors:

Bid proposals for the above work will be received from bidders registered with the Division of Revenue and Enterprise Services, registered with the Department of Labor and Workforce Development pursuant to the Public Works Contractor Registration Act N.J.S.A. 34:11-56.48 et seq., and classified by the Department of the Treasury-Division of Property Management and Construction (“DPMC”), and prequalified by the NJSDA in the following trade(s):

General Construction Contractor with a DPMC classification and NJSDA prequalification of C006 or C008 or C009 who will be required to also have the following DPMC and NJSDA Specialty Trades or required to engage subcontractors classified in the following DPMC and NJSDA Specialty Trades if not possessed by the General Construction Contractor:

Structural Steel	C029
Electrical	C047
Sewer Piping & Storm Drains	C056
Roofing – Membrane Modified Bitumen	C068

Bid proposals must list the names of the firms who meet the above classifications/prequalifications.

Pursuant to N.J.S.A. 52:32-44, the NJSDA is prohibited from entering into a contract with an entity unless the Bidder and each subcontractor that is required by law to be named in a bid has a valid Business Registration Certificate on file with the Division of Revenue and Enterprise Services within the Department of the Treasury. Prior to contract award or authorization, the selected Bidder shall provide NJSDA with its proof of business registration and that of any named subcontractors.

In accordance with the requirements of N.J.S.A. 52:18A-243, each Bidder is required to set forth in its bid the name or names of all subcontractors to whom the Bidder will directly subcontract for the furnishing of any of the work and materials specified in the plans and specifications for the following branches:

1. The plumbing and gas fitting and all work and materials kindred thereto (“Plumbing Branch”)
2. The steam and hot water heating and ventilating apparatus, steam power plants and all work and materials kindred thereto (“HVACR Branch”)
3. The electrical work (“Electrical Branch”)
4. The structural steel and miscellaneous iron work and materials (“Structural Steel Branch”)

When naming subcontractors in accordance with this section, a Bidder is required to name only those subcontractors that are engaged directly by the Bidder (“first-tier subcontractors”). Bidders are NOT REQUIRED to name any subcontractors engaged by the first-tier subcontractors or by others (e.g., “second-tier subcontractors” or “third-tier subcontractors.”)

All subcontractors required to be named under this section must be DPMC classified and NJSDA prequalified as of the submittal due date for bids. Each Bidder shall adhere to the following instructions in its identification of all subcontractors with whom the Bidder will contract in the four branches:

1. **Plumbing Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Plumbing (C030), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Plumbing (C030). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Plumbing trade or other trades applicable to this branch, each such additional subcontractor must be identified.
2. **HVACR Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of HVACR (C032), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of HVACR (C032). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the HVACR trade or other trades applicable to this branch, each such additional subcontractor must be identified.
3. **Electrical Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Electrical (C047), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Electrical (C047). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Electrical trade or other trades applicable to this branch, each such additional subcontractor must be identified.
4. **Structural Steel Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Structural Steel (C029), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Structural Steel (C029). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Structural Steel trade or other trades applicable to this branch, each such additional subcontractor must be identified.

In addition to all other requirements listed above, the NJSDA further requires all subcontractors of any tier in the DPMC Trade Classifications listed below whose contract is in an amount which is equal to or greater than \$500,000 be DPMC classified and NJSDA prequalified.
