Bidders are required to comply with the requirements of P.L. 1975, c. 127 (N.J.S.A. 10:5-31, et seq.) and N.J.A.C. 17:27-1.1, et seq., pertaining to affirmative action and equal employment opportunity.

The NJSDA requires the contractor to make good faith efforts to ensure that small business enterprises (SBEs) have the maximum practicable opportunity to participate in the performance of this engagement. A 25% target has been established pursuant to N.J.A.C. 17:14-1.1, et seq.

A firm or person or an affiliate thereof may not serve as a general contractor or as a subcontractor or as a subconsultant on an authority project for which the firm or person serves as the construction manager or as a subcontractor or as a subconsultant to the construction manager.

Procurement Requirements

All subcontractors proposed for any trade identified in the Advertisement or in the Contract Documents must be DPMC classified and NJSDA prequalified. In addition, in accordance with the requirements of N.J.S.A. 52:18A-243, each bidder will also be required to set forth in its bid the name or names of all subcontractors to whom the bidder will directly subcontract for the furnishing of any of the work and materials specified in the plans and specifications for the following branches: (1) the plumbing and gas fitting and all work and materials kindred thereto ("Plumbing Branch"); (2) the steam and hot water heating and ventilating apparatus, steam power plants and all work and materials kindred thereto ("HVACR Branch"); (3) the electrical work ("Electrical Branch"); and (4) structural steel and miscellaneous iron work and materials ("Structural Steel Branch"). All such named subcontractors must be NJSDA prequalified. Each bidder shall adhere to the following instructions in its identification of all subcontractors with whom the bidder will contract in the four branches:

Plumbing Branch: The bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Plumbing (C030), unless the bidder intends to self-perform for this trade. If the bidder intends to self-perform, the bidder must identify itself as self-performing in the trade of Plumbing (C030). If the bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Plumbing trade or other trades applicable to this branch, each such additional subcontractor must be identified.

HVACR Branch: The bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of HVACR (C032) OR an HVAC Contractor classified in the former DPMC classification of C039 may also satisfy the HVACR (C032) requirement, if a bona-fide representative the Contractor has applied to be “grandfathered in” under the new Master Heating, Ventilating, Air Conditioning, and Refrigeration license offered by the State Board of Examiners for Heating, Ventilating, Air Conditioning and Refrigeration Contractors pursuant to N.J.S.A. 45:16A-26. Such a C039 Contractor or subcontractor must supply a copy of the “grandfathering” license application, as well as proof of payment of application fee, unless the bidder intends to self-perform for this trade. If the bidder intends to self-perform, the self-performing bidder must provide proof of the required HVACR license by providing evidence that a bona-fide representative of the firm holds a Master HVACR license, or providing evidence that a bona-fide representative of the firm has applied to be “grandfathered in” to the Master HVACR license based on experience without meeting education and examination requirements under N.J.S.A. 45:16A-26. If the bidder will contract with any additional subcontractors with DPMC Trade Classifications in the HVACR trade or other trades applicable to this branch, each such additional subcontractor must be identified.

Electrical Branch: The bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Electrical (C047), unless the bidder intends to self-perform for this trade. If the bidder intends to self-perform, the bidder must identify itself as self-performing in the trade of Electrical (C047). If the bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Electrical trade or other trades applicable to this branch, each such additional subcontractor must be identified.

Structural Steel Branch: The bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Structural Steel (C029), unless the bidder intends to self-perform for this trade. If the bidder intends to self-perform, the bidder must identify itself as self-performing in the trade of Structural Steel (C029). If the bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Structural Steel trade or other trades applicable to this branch, each such additional subcontractor must be identified.

In addition to all other requirements listed above, the NJSDA further requires all subcontractors of any tier in the DPMC Trade Classifications listed below whose contract is in an amount which is equal to or greater than \$500,000 be DPMC classified and NJSDA prequalified.
