The New Jersey Schools Development Authority (“NJSDA”) is seeking to procure a Contractor for the Science Park High School – Smoke Evacuation System Upgrades project in Newark, NJ.

### Brief Description of Work:

The Scope of Work associated with this project is to provide additional make-up air into the existing Atrium, including exposed spiral ductwork attached and supported by new steel, intake louvers, rated smoke/fire dampers, supply registers, electrical and control wiring, modification to the existing smoke control system panel and architectural finishes relative to repair of drywall and new ceiling.

This work will be bid and constructed as a single overall contract (one lump sum for all trades).

### Eligibility Requirements for Bidders and Identification of Required Subcontractors:

Bid proposals for the above work will be received from bidders registered with the Division of Revenue and Enterprise Services, registered with the Department of Labor and Workforce Development pursuant to the Public Works Contractor Registration Act N.J.S.A. 34:11-56.48 et seq., and classified by the Department of the Treasury-Division of Property Management and Construction (“DPMC”), and prequalified by the NJSDA in the following trade(s):

**HVACR Contractor with a DPMC Classification and NJSDA Prequalification of C032 who will be required to also have the following DPMC and NJSDA Specialty Trade(s) or required to engage a subcontractor(s) classified in the following DPMC and NJSDA Specialty Trade(s) if not possessed by the HVACR Contractor:**

General Construction	C008 or C009
Electrical	C047

OR

**General Construction Contractor with a DPMC classification and NJSDA prequalification of C008 or C009 who will be required to also have the following DPMC and NJSDA Specialty Trade(s) or required to engage a subcontractor(s) classified in the following DPMC and NJSDA Specialty Trade(s) if not possessed by the General Construction Contractor:**

<b>HVACR</b>	<b>C032</b>
<b>Electrical</b>	<b>C047</b>

Bid proposals must list the names of the firms who meet the above classifications/prequalifications.

Pursuant to N.J.S.A. 52:32-44, the NJSDA is prohibited from entering into a contract with an entity unless the Bidder and each subcontractor that is required by law to be named in a bid has a valid Business Registration Certificate on file with the Division of Revenue and Enterprise Services within the Department of the Treasury. Prior to contract award or authorization, the selected Bidder shall provide NJSDA with its proof of business registration and that of any named subcontractors.

In accordance with the requirements of N.J.S.A. 52:18A-243, each Bidder is required to set forth in its bid the name or names of all subcontractors to whom the Bidder will directly subcontract for the furnishing of any of the work and materials specified in the plans and specifications for the following branches:

1. The plumbing and gas fitting and all work and materials kindred thereto (“Plumbing Branch”)
2. The steam and hot water heating and ventilating apparatus, steam power plants and all work and materials kindred thereto (“HVACR Branch”)
3. The electrical work (“Electrical Branch”)
4. The structural steel and miscellaneous iron work and materials (“Structural Steel Branch”)

When naming subcontractors in accordance with this section, a Bidder is required to name only those subcontractors that are engaged directly by the Bidder (“first-tier subcontractors”). Bidders are NOT REQUIRED to name any subcontractors engaged by the first-tier subcontractors or by others (e.g., “second-tier subcontractors” or “third-tier subcontractors.”)

All subcontractors required to be named under this section must be DPMC classified and NJSDA prequalified as of the submittal due date for bids. Each Bidder shall adhere to the following instructions in its identification of all subcontractors with whom the Bidder will contract in the four branches:

1. **Plumbing Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Plumbing (C030), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Plumbing (C030). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Plumbing trade or other trades applicable to this branch, each such additional subcontractor must be identified.
2. **HVACR Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of HVACR (C032), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of HVACR (C032). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the HVACR trade or other trades applicable to this branch, each such additional subcontractor must be identified.
3. **Electrical Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Electrical (C047), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Electrical

(C047). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Electrical trade or other trades applicable to this branch, each such additional subcontractor must be identified.

4. **Structural Steel Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Structural Steel (C029), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Structural Steel (C029). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Structural Steel trade or other trades applicable to this branch, each such additional subcontractor must be identified.

In addition to all other requirements listed above, the NJSDA further requires all subcontractors of any tier in the DPMC Trade Classifications listed below whose contract is in an amount which is equal to or greater than \$500,000 be DPMC classified and NJSDA prequalified.

#### **Additional Procurement Requirements:**

Bidders are required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 et seq.

Note that the selected Bidder shall be required to ensure that Small Business Enterprises (“SBEs”) and Disabled Veteran Owned Businesses (“DVOBs”) have the maximum practicable opportunity to participate in the performance of this engagement. A 25% Set-Aside Goal for SBEs and a 3% Set-Aside Goal for DVOBs have been established for this Project.

The selected Bidder shall be required to submit payroll information to the Division of Labor and Workforce Development, with copies to the NJSDA, in accordance with the Diane B. Allen Equal Pay Act, P.L. 2018, c. 9. Guidance and forms for compliance with this requirement are available at: [www.nj.gov/labor/equalpay/equalpay.html](http://www.nj.gov/labor/equalpay/equalpay.html)

A firm or person or an affiliate thereof may not serve as a general contractor or as a subcontractor or as a subconsultant on an NJSDA project for which the firm or person serves as the construction manager or as a subcontractor or as a subconsultant to the construction manager.

## Procurement Submission Dates and Deadlines:

A. This procurement schedule commences with the submission of Project Rating Proposals. All Bidders on this Project will be required to complete a Project Rating Proposal (“PRP”) form and submit the completed PRP form, no later than **2:00 PM (local time) on February 4, 2026**, to Alison Perry, Procurement Specialist. The PRP form is available on the [NJSDA website](#). PRP forms will **only** be accepted by overnight or hand delivery at the following address:
