## **ADVERTISEMENT**

The New Jersey Schools Development Authority (“NJSDA”) is seeking to procure a Contractor for the New High School No. 12 – Demolition and Early Site Preparation project in Passaic, NJ.

### **Brief Description of Work:**

The Scope of Work associated with this project consists of Early Site Preparation, Abatement and Demolition services to demolish and remove the existing Passaic High School No. 12. The building shall be abated of all hazardous material within the existing building, all existing and associated site elements within the project boundary limits, and to prepare the site for further development, all as fully described in the Contract Documents.

This work will be bid and constructed as a single overall contract (one lump sum for all trades).

### **Eligibility Requirements for Bidders and Identification of Required Subcontractors:**

Bid proposals for the above work will be received from bidders registered with the Division of Revenue and Enterprise Services, registered with the Department of Labor and Workforce Development pursuant to the Public Works Contractor Registration Act N.J.S.A. 34:11-56.48 et seq., and classified by the Department of the Treasury-Division of Property Management and Construction (“DPMC”), and prequalified by the NJSDA in the following trade(s):

**Demolition Contractor with a DPMC Classification and NJSDA Prequalification of C021 who will be required to also have the following DPMC and NJSDA Specialty Trade(s) or required to engage a subcontractor(s) classified in the following DPMC and NJSDA Specialty Trade(s) if not possessed by the Demolition Contractor:**

**Asbestos Abatement**

**C092**

**OR**

**General Construction Contractor with a DPMC classification and NJSDA prequalification of C008 or C009 who will be required to also have the following DPMC and NJSDA Specialty Trade(s) or required to engage a subcontractor(s) classified in the following DPMC and NJSDA Specialty Trade(s) if not possessed by the General Construction Contractor:**

<b>Asbestos Abatement</b>	<b>C092</b>
<b>Demolition</b>	<b>C021</b>

Bid proposals must list the names of the firms who meet the above classifications/prequalifications.

Pursuant to N.J.S.A. 52:32-44, the NJSDA is prohibited from entering into a contract with an entity unless the Bidder and each subcontractor that is required by law to be named in a bid has a valid Business Registration Certificate on file with the Division of Revenue and Enterprise Services within the Department of the Treasury. Prior to contract award or authorization, the selected Bidder shall provide NJSDA with its proof of business registration and that of any named subcontractors.

In accordance with the requirements of N.J.S.A. 52:18A-243, each Bidder is required to set forth in its bid the name or names of all subcontractors to whom the Bidder will directly subcontract for the furnishing of any of the work and materials specified in the plans and specifications for the following branches:

1. The plumbing and gas fitting and all work and materials kindred thereto (“Plumbing Branch”)
2. The steam and hot water heating and ventilating apparatus, steam power plants and all work and materials kindred thereto (“HVACR Branch”)
3. The electrical work (“Electrical Branch”)
4. The structural steel and miscellaneous iron work and materials (“Structural Steel Branch”)

When naming subcontractors in accordance with N.J.S.A. 52:18A-243, a Bidder is required to name only those subcontractors that are engaged directly by the Bidder (“first-tier subcontractors”). Bidders are NOT REQUIRED to name any subcontractors engaged by the first-tier subcontractors or by others (e.g., “second-tier subcontractors” or “third-tier subcontractors.”)

All subcontractors required to be named under N.J.S.A. 52:18A-243 must be DPMC classified and NJSDA prequalified as of the submittal due date for bids. Each Bidder shall adhere to the following instructions in its identification of all subcontractors with whom the Bidder will contract in the four branches:

1. **Plumbing Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Plumbing (C030), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Plumbing (C030). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Plumbing trade or other trades applicable to this branch, each such additional subcontractor must be identified.
2. **HVACR Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of HVACR (C032), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of HVACR (C032). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the HVACR trade or other trades applicable to this branch, each such additional subcontractor must be identified.
3. **Electrical Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Electrical (C047), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Electrical

(C047). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Electrical trade or other trades applicable to this branch, each such additional subcontractor must be identified.

4. **Structural Steel Branch:** The Bidder must identify a subcontractor that is DPMC classified and NJSDA prequalified in the trade of Structural Steel (C029), unless the Bidder intends to self-perform for this trade. If the Bidder intends to self-perform, the Bidder must identify itself as self-performing in the trade of Structural Steel (C029). If the Bidder will contract with any additional subcontractors with DPMC Trade Classifications in the Structural Steel trade or other trades applicable to this branch, each such additional subcontractor must be identified.

**Prequalification Requirements for Subcontractors Not Required to Be Named at Time of Bid:** In addition to the above prequalification requirements applicable to subcontractors required to be named in accordance with N.J.S.A. 52:18A-243, NJSDA regulations also require DPMC classification and NJSDA prequalification for any future subcontractors of any tier in the following DPMC classifications, if at any time in the course of the Project they are engaged to perform Work under a contract or subcontract with a contract value in an amount which is equal to or greater than \$500,000.
