**PROJECT #: EP-0015-C01**

**DESCRIPTION: Warren Street – American History High School**

This addendum shall be considered part of the Bid Documents issued in connection with the referenced project. Should information conflict with the Bid Documents, this Addendum shall supercede the relevant information in the Bid Documents.

---

**Addendum #2**

As part of the bid, the contractor is responsible for all coordination associated with the performance of work as outlined in the project plans and specifications, including when the work is to be performed within a ten (10) foot radius of overhead power lines. This responsibility shall include all the means and methods required by the appropriate utility company and/or the SDA to allow for the safe performance of the work.

Accordingly, the contractor shall include in its' bid price, \$75,000.00 as an allowance for work executed by any utility company having jurisdiction and shall include the cost for all labor and materials to re-rout, shut-down or relocate utilities in order for the contractor to safely execute the work and maintain a safe work area. The allowance shall be used for only work associated with the power outages and require the prior approval of the NJSDA Program Director.

**The submission date of September 10, 2010 remains the same.**
