PROJECT #: NE-0003-N01 RB1
Newark, South Street ES - Early Site Package

DESCRIPTION: Addendum # 2

This addendum shall be considered part of the Early Site Package Information Package issued in connection with the referenced project. Should information conflict with the Early Site Package Information Package, this Addendum shall supersede the relevant information in the Early Site Information Package.

A. CHANGES TO THE PROCUREMENT PROCESS:

- 1. Revisions to the Instructions to Bidders:
None.

B. CHANGES TO THE PROJECT MANUAL:

Eight (8) Drawings from the original, cancelled procurement NE-0003-N01 were **inadvertently** attached at the end of the Project Manual for the current procurement, NE-0003-N01 RB1.

The eight (8) Drawings from the original, cancelled procurement have been deleted from the current Project Manual. The new, revised Project Manual without the Drawings attached has been uploaded to the SDA's ftp site. The drawings **deleted** from the Project Manual are as follows:

Drawing Number	Title	Revision Date
1 of 8	Coversheet	7/9/13
2 of 8	Survey of Property	6/21/13
3 of 8	Site & Grading Plan	7/9/13
4 of 8	Soil Erosion and Sediment Control Plan	7/9/13
5 of 8	Soil Erosion and Sediment Control Plan Notes	7/9/13
6 of 8	Surface Debris Quantity Key Map	6/25/13
7 of 8	Subsurface Quantity Key Map	7/9/13
8 of 8	Proposed Excavation Limits	7/9/13

Bidders who have downloaded and/or printed the Project Manual with the original Drawings should **disregard** those drawings and rely on the revised project Drawings for bid preparation. The current Drawings that should be used for bid preparation are in the file titled **DRAWINGS_NE-0003-N01 RB1.pdf**. The file is on the NJSDA's ftp site. Other than the removal of the eight (8) drawings, the Project Manual is unchanged.

C. CHANGES TO THE DRAWINGS:

As discussed under **B. CHANGES TO THE PROJECT MANUAL**, eight (8) Drawings inadvertently attached to the Project Manual have been deleted.

D. BIDDER'S QUESTIONS, REQUESTS FOR INFORMATION AND RESPONSES:

1: **Question:** The ftp link contains three (3) documents which are:

1. "Addendum #1"
2. "Bid Documents"
3. "Drawings"

At the end of the "Bid Document" there are eight (8) pages of drawings. These eight (8) pages of drawing are not the same as the item number 3 "Drawings". These eight (8) pages of drawings appear to be the old drawings. I assume we are to use item number 3, the "Drawing". Please confirm.

Answer: As discussed under **B. CHANGES TO THE PROJECT MANUAL** eight (8) Drawings from the original, cancelled procurement NE-0003-N01 were **inadvertently** attached at the end of the Project Manual for the current procurement, NE-0003-N01 RB1. Bidders should **disregard** those drawings and rely on the revised project Drawings file for bid preparation. The current Drawings that should be used for bid preparation are in the file titled **DRAWINGS_NE-0003-N01 RB1.pdf**. The file is on the NJSDA's ftp site.

E. CHANGES TO PREVIOUS ADDENDA:

1. Not applicable

F. ATTACHMENTS

None.

G. SUPPLEMENTAL INFORMATION

1. Not applicable

Any bidder attempting to contact government officials (elected or appointed), including NJSDA Board members, NJSDA Staff, and Selection Committee members in an effort to influence the selection process may be immediately disqualified.

End of Addendum No. 2
