(a) **Political Contributions.** P.L. 2005, c. 51 amended and supplemented N.J.S.A. 19:44A-20.1 et seq., and superseded Executive Order 134 (2004), addresses the effect of political contributions on State contracting. Additionally, Executive Order No. 117, which is designed to enhance New Jersey’s efforts to protect the integrity of government contractual decisions and increase the public’s confidence in government. The Executive Order builds on the provisions of P.L. 2005, c. 51 (“Chapter 51”), which limits contributions to certain political candidates and committees by for-profit business entities that are, or seek to become, State government vendors. Accordingly, a selected firm will be required to respond in a timely fashion to certification and disclosure requirements that will be stated in the Notice of Award issued by the NJSDA.

(b) **Outsourced Services Special Provisions.** Under P.L. 2005, c. 92 (formerly Executive Order No. 129 (2004)), the NJSDA shall not award a contract to a bidder that submits a bid proposal to perform services, or to subcontract with a firm to perform services, outside the United States, unless certain conditions is met. If, during the term of the contract, the Contractor or subcontracted firm, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside of the United States, the Contractor shall be deemed in breach of the Agreement, unless the Senior Director of the NJSDA Division of Procurement and Contract Services shall have first determined in writing that extraordinary circumstances require a shift of services or that a failure to shift the services would result in economic hardship to the NJSDA or the State.

(c) **Anti-Discrimination Requirements.** In addition, the Contractor shall not discriminate in employment and shall abide by all anti-discrimination laws including those contained within N.J.S.A. 10:5-1 et seq. and all rules and regulations issued there under, including N.J.A.C. 17:27-1 et seq. **Accordingly, in a notice of award, a firm shall be required to submit to the NJSDA, with its executed Agreement, one of the following three documents:**

- (1) appropriate evidence that the contractor is operating under an existing Federally approved or sanctioned affirmative action program;
- (2) a certificate of employee information report approval issued in accordance with N.J.A.C. 17:27-4; or
- (3) an initial employee information report (Form AA302) provided by the NJSDA and completed by the contractor in accordance with N.J.A.C. 17:27-4.

(d) **Moral Integrity Review.** The successful firm shall be required to submit to the NJSDA one (1) original (and no copies) of a completed Moral Integrity Questionnaire for submission to the New Jersey State Police, in the form to be provided by the NJSDA. **Moral Integrity approval is a prerequisite for contract award.**
